

Help our City get rid of E-Waste the right way by sending it to a proper recycling process and not into the landfills!

- Electronic discard is one of the fastest growing segments of this nation's waste stream.
- 56% of American households have functional e-products that they no longer use.
- E-Waste comprises 70% of overall toxic waste in America's landfills. 70% of heavy metals, 40% of lead and mercury contents found in today's landfills come from E-Waste.
- Other hazardous materials used in computers and other electronic devices include cadmium, mercury, hexavalent chromium, and PVC plastic.

Saturday & Sunday, March 31 & April 1, 2012
From 9:00 a.m. - 4:00 p.m.

Hosted by the
Plaza Pacoima: Costco,
Lowe's and Best Buy in
collaboration with:

Plaza Pacoima – Costco (parking lot)
13550 W. Paxton St.
Pacoima CA 91331

For more information, please call 888-800-8331 or 818-890-2928
Proceeds of this event will go towards local nonprofit organizations

What is "E-waste"?

E-Waste is any consumer electronic equipment that has reached its 'end-of-life' or 'end-of-usage,' whether in full or non-working condition. It includes most electronics or electric appliances with a cord or circuit board such as: Computer Monitors, Television sets, PC Systems, Printers, Laptops, Copiers, Scanners, Fax Machines, Toner Cartridges, UPS & PDAs, Power Supplies, Main Frame Units, Networking Equipment, Mother Board Systems, VCR/VCD/DVD Players, Home Entertainment Systems, Landline and Cellular Phones, & Small Portable Devices.

We also accept car and forklift batteries. There is a \$5.00 service fee for Microwave Ovens.
We do not accept: Refrigerators, Washer and Dryers, Fluorescent Light Bulbs, and Household Batteries.
