

24/7 DAD

a program to foster young fathers in our community

Get the fathering skills you need.

- How to communicate with you child's mother
- Getting involved in your child's life
- Learn to give back to your community
- Develop stronger relationships with your family
- Mentoring to get your diploma, GED or start college
- Learn job readiness skills and apply for work
- Personal, cultural and professional development
- Develop financial planning skills

The 24/7 Dad program is designed to help fathers and expecting fathers, increase their knowledge of what being father really is and to help them strengthen their family ties. This four month program focuses on fathering skills, personal development, financial literacy, work readiness and communication.
